Dear All,

This is a special edition of which I am delighted to share with you all the success and accomplishments of the company as it celebrates this year its 15 year anniversary.

Since my appointment as the CEO in October 2021, it's been a great and rewarding experience getting to know more in depth about STC's business operations and discovering the fervent passion of all our team members. I am so very proud of you!

You are the driving force behind our success and I know that I can always count on you for support.

THANK YOU TO ALL STC STAFF, KEEP UP THE AMAZING WORK!

When it comes to our valued customers, it is always a privilege for me to recognize and honor your loyalty and trust which means a lot to us.

There is no way we could have made it without your support; Indeed our true inspiration!

It is always worth taking note of the unwavering support of our stakeholders and all our business partners of which your contribution is adamant towards the progress of STC.

On behalf of the STC Board of Directors, I take this opportunity to convey my sincere appreciation to you all.

And with that being said, I am excited to take the STC to greater heights and I believe that together we can accomplish greater things.

I'm looking forward to the future!
