## STC Praslin Mini Market

**Our sincere commitment to provide affordable pricing and bring down overall cost of living.**

**Praslinois were elated of the news that they can now get access to all of STC's great variety of products at the same prices as on Mahe.**

With the recent opening of the new STC Mini Market on Praslin Island, customers now have greater options of STC products; guaranteeing quality essential goods as well as other categories of products (both dry goods and perishables) at affordable prices.

Newly located, adjacent to STC's Wholesale Outlet on Eve Island, the new mini market opened its doors to its very first customers on Monday 18<sup>th</sup> July 2022. It is now in full-fledged operation from Monday to Friday as from 8 am to 5 pm and on Saturdays from 8 am to 3 pm.

**Giving a warm welcome to our very first customers!**

## STC MEGA SALE, A GREAT BOOM!

**The STC Mega Sale presented a unique opportunity for the general public to access a wide range of STC products at GREAT PRICES!**

This exciting event was hosted during two days Saturday 30<sup>th</sup> and Sunday 31<sup>st</sup> July 2022 at STC Wholesale Dry Goods at Latanier Road, New Port.

It was a fun packed event which saw the participation of on-site stalls representing STC wholesale units mainly Dry Goods, Meat, Fruit and Vegetable Wholesale as well as the STC Gift Shop which was conducting make up

sessions for its most popular make up brand 'Black up'.

The long-awaited event attracted a massive crowd of people with long queues that were maintained throughout the two days. This provided a great shopping platform for various STC products in different categories and brands at unbeatable prices.

Based on the feedback received, the event was a huge success!
